The Holding Space Jersey - Counselling Services Website

Date: Monday 15th December 2025

Prepared For:

Louise Cochrane

The Holding Space Jersey

Prepared By:

Steven Lewis

EXECUTIVE SUMMARY

This quotation outlines the comprehensive development of a professional, modern website for The Holding Space Jersey. The project encompasses custom design, responsive development, content integration, and essential functionality to establish a strong online presence for your practice.

PROJECT OBJECTIVES

The website will serve as a professional digital platform to:

- Showcase The Holding Space Jersey counselling services and approach
- Provide an intuitive booking system for client appointments
- Enable potential clients to easily contact you through integrated forms
- Establish trust and credibility through professional design
- Ensure optimal user experience across all devices (desktop, tablet, mobile) - Implement basic SEO to improve online visibility

SCOPE OF WORK

1. DESIGN & BRANDING INTEGRATION

- Custom design aligned with The Holding Space Jersey brand identity
- Integration of provided logo and brand colours
- Development of cohesive colour scheme (mauve/pink palette: #d7ced2)
- Typography selection and implementation matching brand aesthetic
- Creation of visually appealing hero section with branded imagery
- Design consistency across all pages and components

2. RESPONSIVE WEB DEVELOPMENT

- Development using Next.js framework for optimal performance - Fully responsive design ensuring perfect display on:
 - Desktop computers (1920px and above)
 - Tablets (768px - 1024px)
 - Mobile devices (320px - 767px)
- Cross-browser compatibility testing (Chrome, Firefox, Safari, Edge)
- Mobile-first approach for optimal user experience
- Implementation of smooth animations and transitions
- Performance optimisation for fast page load times

3. PAGE DEVELOPMENT & CONTENT INTEGRATION

- Home page with hero section, services overview, and call-to-action
- About page showcasing your background, approach, and qualifications
- Services page detailing counselling offerings and specialisations
- Contact page with integrated contact form
- Integration of all provided content, images, and copy
- Professional presentation of information with clear hierarchy
- Implementation of engaging visual elements and imagery

4. CONTACT FORM DEVELOPMENT

- Professional contact form with required fields
- Client-side and server-side validation
- Spam protection measures
- Email delivery system
- User feedback and confirmation messages
- Responsive form design

5. NAVIGATION & USER EXPERIENCE

- Intuitive navigation menu with smooth scrolling
- Mobile-responsive hamburger menu
- Sticky header for easy access to navigation
- Clear call-to-action buttons throughout site
- User-friendly page transitions and animations
- Accessibility considerations (WCAG guidelines)

6. SEARCH ENGINE OPTIMISATION (SEO)

- Meta tags and descriptions for all pages
- Semantic HTML structure
- Optimised page titles and headings
- Alt text for all images
- Sitemap generation
- Basic keyword optimisation
- Schema markup where applicable

7. TESTING & QUALITY ASSURANCE

- Comprehensive testing across multiple devices and browsers
- Functionality testing for all forms and interactive elements
- Performance testing and optimisation
- Bug fixes and refinements
- User acceptance testing support
- Final polish and adjustments

8. DEPLOYMENT & SETUP ASSISTANCE

- Website deployment to hosting platform (Vercel)
- DNS configuration assistance (Cloudflare)
- Domain setup guidance (Cloudflare)
- Initial site launch support
